## Rochester Guitar Club

was formed in October 2006 with the goal of providing a social nexus for local guitar enthusiasts to meet, keep in touch, play and trade songs and generally explore the many aspects of guitar. We are an informal group that enjoys and appreciates guitar music, lore and playing.

RGC is open to anyone interested in guitar music.

### Round Robin Playing Sessions

Nonjudgmental opportunities to perform alone or with fellow musicians or to just listen and socialize.

## Presentations

have included chord voicing and fingerboard theory; classical influences in rock music; guitar construction; resonator instruments; history of the banjo; slack key guitar; jazz improvisation; the blues; PA systems and guitar equipment; American guitar manufacturing history; and surviving in the music business.

## Workshops

have explored two-handed tapping; the partial capo; fingerpicking styles; gypsy jazz; solo performance and stage etiquette; electronics for acoustic guitar; and instrument repair.

## Concerts

by local performers and nationally known touring musicians.
